_____.

Situated on a 75-acre, park-like campus in Erie, Pennsylvania, Mercyhurst University is a private, residential institution founded in 1926. Consistently recognized as a Tier regional university by U.S. News & World Report, Mercyhurst is one of 17 Mercy colleges in the U.S. As home to more than 2,600 students, it is committed to building a culture of inclusivity that values the expression of differences and prepares its graduates to exercise leadership in service to a just world. It offers a wide range of rigorous academic programs that provide hands-on, professional preparation, including over 100 undergraduate areas of study, 20 graduate programs, and assorted associate degree/certificate options. Mercyhurst offers a vibrant campus life, with more than 70 academic, social, and honors organizations, as well as 26 varsity athletic teams, which compete at NCAA Division I as the Lakers, and nine club teams.
